

Thank you so much for taking a moment to look into the history and legacy of our church.

The Legacy Hall is a hallway in our facility that tells the story and the legacy of our church. If you look on our website, on the page titled, “*Who We Are*” it starts off with these words:

We are an established church in Milford, Ohio. We have a rich history of community connection and life-changing ministry.

We do not use any of those words lightly, but we definitely use the word “established” for a purpose. Because our church was founded on December 4th, 1941. Originally under the name Milford Church of God we started off by meeting in a small brick building that is in Old Milford. It was called the building “under the hill” on Ferry Street. That building is still standing today.

Through the years, different locations, different pastors, different leaders and shepherds... 22 pastors have had the honor of serving at this church.

In 2001 we changed the name to the House of Restoration to more accurately reflect our passion and our vision. But throughout the years, we have always been focused on restoring people and on sharing the Love of Jesus to our community.

I encourage you to stop by the church sometime, you can make an appointment, come in before or after service and check out the Legacy Hall. You will not regret it.
