

Thank you for inquiring about the mission and the vision of our church. Before I talk about the mission and vision of the House of Restoration specifically, I want to take just a moment and explain to you about mission and vision in general.

A Mission Statement is our opportunity to tell you who we are. And a Vision Statement is our opportunity to tell you what we do and what our intentions are.

## **MISSION:**

With that being said, the mission statement of the House of Restoration is:

## We are Christ followers committed to restoring equipping our community.

Restoration comes in many forms and so does equipping. It is our intention and our desire to journey through life with you to help you find restoration when you need it and equipping when you need it as well.

## VISION:

## Our vision is to fulfill the great commission in our community so that every family can live the spirit-filled life.

There are four commitments to our vision that we live by and we do ministry by:

If you're ever in our church or on our website, we hope that you see these emblems and you understand and know that they are all part of fulfilling the wonderful vision of the House of Restoration.
